Tel: 07510906097

### Education

**2016.9 – 2018.1    The University of Manchester, UK**

**BSc(Hons) Mathematics**

**Average result: 88.08%**

- Enhanced understanding of the major fields of mathematics including probability, real and complex analysis etc.
- Gained a developed skill of working in English
- Learnt how to work in a group with people from different country with different culture background
- Signed up for final year project “Thermoelastic Deformation in Fiber-reinforced Composites” under the supervision of Dr. Jones, got a glimpse of what mathematical research is like.

**2014.9 – 2016.7    Shandong University, PRC**

**Mathematics (ChengDong Pan’s special program)**

**Average result: 81.3%**

- Gained a strong understanding of the major fields of mathematics including probability, statistics, differential equations, pure mathematics etc.
- Learnt how to used MATLAB software packages to design algorithms to analyze and assimilate numerical data.
- Enhanced the ability to work with group of people by participating in modeling competitions.
- Awarded the Shandong University 2<sup>nd</sup> class Scholarship for excellent performance in first year’s examination.
- Joined the Shunge Chorus team. Had a better understanding about team work. Awarded 2<sup>nd</sup> class prize in the 13<sup>th</sup> China International Chorus Festival,

**2011.9 – 2014.6    Shandong Experimental High School**

National College Entrance Examination (Shandong Province): 664/750

Mandarin: 117/150

Mathematics: 121/150

English: 139/150

Combination of Science (Physics, Chemistry, Biology): 287/300

### Positions of Responsibility

**2014.9 – 2016.7      Committee member of the student self-managing  
committee of Chengdong Pan's special program**

- Arranged many activities such as New Year's Celebrating Event, Spring Sports Event, Mental Health Event etc.
- Helped with all kinds of basic daily managing works such as collecting information, delivering notifications, writing reports etc.
- Developed the skill of managing, planning, and socializing.

**Additional Skills**

- Proficient in the use of Microsoft Office, LaTeX, Mathematica
- Taught myself how to code using python and is able to write simple games.
- Can speak and write Chinese.

**Interests**

- Solving all kinds of interesting mathematical problems.
- Member of Shunge Chorus team. Won many awards in all kinds of music event. Enjoy all forms of music.
- Travelled in western part of China on bike for 10 days with friends during summer vacation in 2015.
- Sociology
